13,000 B2B Meetings

What's AeroLabs?

Aeromart Montréal provides an opportunity for 20 cutting-edge startups to showcase their innovative technologies and solutions to the aerospace industry.

AeroLabs presents a cost-effective entry point into the leading global business convention.

WHAT'S INCLUDED IN THE STARTUP PACKAGE?

- Display counter in the AeroLabs Pavilion
- Company logo & name printed on the counter's front side
- 1 schedule of pre-arranged B2B meetings over 2 days
- 1 exhibitor pass with full access for 2 days (March 26 & 27)
- Access to the cocktail reception

PROMOTION WILL INCLUDE:

- A company/product highlight on the AeroLabs webpage
- Social media promotion across specialized platforms and Aeromart social platforms
- Mention in the AeroLabs section of the Official Show Guide
- Webcast during the event

WHO SHOULD APPLY?

Companies must meet specific criteria:

- Embrace an innovative/disruptive/higher impact technology
- Have a turnover of less than 2 million \$CAD
- Have less than 50 employees
- Company established within the last 5 years
- Not affiliated with or belonging to a larger organization or group

With only 20 slots available, space is limited and will go quickly.

Make sure your startup is one of the pioneers and thought leaders selected to exhibit so you get the chance to meet and inspire the Aeromart audience with your technology and concepts.

Inclusion in the AeroLabs Pavilion will be at the sole discretion of organizers.
